

Nguyễn Ngọc Thông

Java Intern | <https://github.com/ngocthong37>

Email: thongnguyenngoc3738@gmail.com

Tel: (+84) 329382805

I am an enthusiastic learner, I always want to find new opportunities to learn and experience to improve myself. My objective here is to become an excellent Intern in Java and produce many high-quality products. I strongly believe that my self-learning ability and responsibility will help me to achieve my goal, and have an opportunity to become a full-time employee.
